**Who:** All adult archers (aspiring or experienced) are welcome . This is a shooting sport, and all students, regardless of age, must, in the opinion of the instruction staff, be able to safely and comfortably handle the equipment.

**What:** These programs are suitable for beginning and novice archers as well as those experienced archers who want to continue to work on shooting fundamentals.

We will be teaching archery based on the USA Archery/Team USA, National Training System (NTS). Safety and archery range rules will be the most important thing that we cover but most of our time will be spent learning the proper shooting form. The emphasis of the NTS system is biomechanical safety and efficiency. The course is taught by Coach Mike Hanson; a [USA Archery](#) certified Level 4-NTS archery.

**Where:** Classes will be held at the archery facility at the Bainbridge Island Sportsmen’s Club located at: 8203 Sportsmen’s Club Rd., Bainbridge Island. If you are interested in more information about the Sportsmen’s Club please visit their web site: [Bainbridge Island Sportsmen's Club web site](#)

**Availability.** Once the completed form is submitted we will review class availability and contact you. The course fee is non-refundable.

**Cost:** \$100 per month which covers range fees, rental of equipment, and instruction

**Payment options:** Classes must be paid for in full by the first day of class.

**Cash**

**PayPal** – Payments can be processed through PayPal on our website <http://islandarchers.com/sign-up.html>

**Checks** – We accept checks made out to “Island Archers.”

Please complete this form and return it to us at: [IslandJOAD@gmail.com](mailto:IslandJOAD@gmail.com)

**What to Wear:** Even though we shoot from a sheltered area our range is essentially an outdoor range so dress accordingly.

We will have class regardless of the weather conditions. It can get chilly out there on the range.

Participants should wear clothes appropriate for the season. Non-bulky, snug-fitting sleeves are preferred but please dress for the weather. Clothes must be free of large buttons, pins, badges, scarves or other things on the front that can be caught in the bow string. **Please bring something to tie back long hair.** The range is fairly level but it is dirt so it is sometimes muddy; please wear footwear that encloses the whole foot. Do not wear sandals, flip-flops, bare feet or "foot glove" type socks.

Thank you very much for your interest in our program, I look forward to seeing you on the range!

Coach Mike
